CBLR034 > TH600D with **OLD** connector

PLENUM

New connector as of serial# 375820

CSR200 > TH400 with **NEW** connector

CSR201 > TH400 with **OLD** connector

ACUSTEAM

New connector as of serial# 361664

STM002 > E400 / 240V with **NO** neutral, **NEW** connector
(ACU 10 and 15)

STM998 > E400 / 240V with **NO** neutral, **OLD** connector
(ACU 10 and 15)

STM002N > E400 / 120V **WITH** neutral, **NEW** connector
(ACU 5)

STM998N > E400 / 120V **WITH** neutral, **OLD** connector
(ACU 5)

Once the old stock is done, the boards and associated part numbers will be obsolete. The clients will need to purchase the new boards at that point.
